

Dear St. Lorenzo Ruiz Parents and Guardians,

As part of our authentic learning focus and create to learn philosophy within our school community and learning commons, we are restocking our supplies. As we look to replenish, we wonder if you have some of the items below in your basement that you no longer need and would be willing to donate. These materials will be used throughout the school for hands on learning and for *create to learn* projects in our learning commons.

*If you are able to, we would be so appreciative of any donation that you are willing to provide. Deadline to donate is November 29.*

**Glue/Tape:**

- hot glue gun sticks
