Parents/Guardians of Raiders Skateboarding:

We are quickly approaching one of the best days of the school year! We will be hosting the 3rd Annual Bucky's Winter Classic skateboard competition in just over a month.

The competition is being held on **Thursday, December 19th** at Incline Industries in Sylvan Lake, AB. **Students/schools will be responsible for arranging their own transportation.**

Sign-in and warm-ups will start at 9:30, with the competition beginning at 10:00. The event will be over around 2:00 pm, which should give most students enough time to get back to their schools in time for buses.

Athletes are responsible for bringing the following:

- **HELMET**
- Other protective equipment such as knee/elbow/wrist protection (optional)
- Snacks (lunch is provided, but we will be working up quite an appetite)
- **WATER** (bottled water is provided, but it never hurts to have some extra)
- Skateboard
- Appropriate clothing and footwear

There is a \$10 registration fee for competitors in this event. This fee is not intended to be prohibitive, so please let me know if there are any issues. This fee includes lunch, as well as a goodie bag.

Thank you for your consent, this event gets better and better every year thanks to your support and participation!

R.J. Willms
Coach - Raiders Skate Team
